Member Benefit

Estate planning has less to do with taxes and more to do with making sure your wishes are known and honored. Families, needs and interests change, and your plan should change accordingly. The changing tax landscape acts as a reminder that you should revisit your estate plan regularly. As a member of Florida Farm Bureau, you have the ability to interact with full-time Estate Planning Specialists at no charge to you. Please contact your Farm Bureau Insurance agent to schedule an appointment to develop a customized estate plan or to review your existing plan.

Visit www.FloridaFarmBureau.org/benefits/save for all the details.

While some members enjoy their Farm Bureau membership for decades using only one or two of the benefits we offer, we encourage you to take advantage of all of the benefits available to you.

You can get complete details on these programs as well as information on our other programs by visiting www.FloridaFarmBureau.org or by calling Member Services at (352) 374-1585.
