

Helpful Info for Teachers:

- The goal of the FFBF Classroom Mini-Grant is intended to increase awareness and understanding of agriculture among students and educators and is funded by the FFBF Women's Committee.
- Grant of up to \$250 per classroom may be awarded.
- Entries are encouraged in any subject area, here are some suggestions: Social Studies, Math, Language Arts, Science, and Environmental Education.
- Be sure to follow all directions and read the rubric in its entirety. A thorough and complete application has the best chance at being awarded.
- Ensure that all contact information, including email, teacher name, full school name, and physical address, are listed correctly.
- Clearly state goals and objective of project as it relates to agricultural education.
- If the application includes funds for a field trip or assembly, they must be supplemented by classroom learning objectives including pre and post activities.
- Describe in detail how your project will be conducted and provide a detailed timeline of the entire project.
- List all objectives clearly and be sure that they are attainable within the guidelines of the Classroom Mini-Grant.
- Projects that have costs that exceed the \$250 Mini-Grant amount are still encouraged to apply. Include in your application that you intend to secure additional funding for the project if appropriate.
- Be creative with the name of the project!
- Grant winners will be notified in November via email.
