

AMENDMENT 2 FACT SHEET

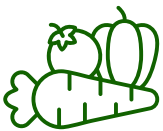

FARMERS NEED YOUR HELP ON THE BALLOT

WHAT IS AMENDMENT 2?

The goal: Reduce the cost of doing business for Florida farmers and ranchers.

Currently, Florida farmers and ranchers pay annual taxes on farm equipment.

A YES vote on Amendment 2 would eliminate this burdensome tax, helping farmers and ranchers reinvest in the tools they use to:

Provide healthy, safe and **locally-grown food**

Maintain the U-Pick farms, pumpkin patches and other agritourism destinations that **Floridians love**

Protect Florida's **open spaces and wildlife habitat** by keeping agricultural land in production

Exempted farm equipment would include tractors, irrigation equipment and other machinery that produce what **we eat, wear and use every day.**

**VOTE YES
ON AMENDMENT 2!**
